Wrapping Up the 2024-2025 School Year

Welcome to June and our last month of school. May was filled with events, including Alien Inline skating, our Talent Show,, Early Years Bike Rodeo and Multicultural Week. We also had Division Two teams compete in Robotics and City Track and Field.

June is also the last month of elementary school before our Grade Six Thunderbirds transition to Junior High. We will be celebrating their farewell on June 20th, in addition to cheering on our Kindergarten Grads as they move to full day school next year for Grade One. Our End of Year Award Assembly will be held on June 24th and all families are welcome.

The last day of school is Wednesday, June 25th and the school will be closed for the summer after Friday, June 27th. The office reopens on August 19th.
